

Form PTO-1449 Substitute

U.S. Department of Commerce
Patent and Trademark Office

INFORMATION DISCLOSURE STATEMENT

(Use several sheets if necessary)

Application Number	10/679,135
Filing Date	October 3, 2003
First Named Inventor	David J. Pinsky, et al.
Art Unit	1616
Examiner Name	John Pak
Attorney Docket No.	51917-CA-PCT-US/ JPW/BJA

DATE CONSIDERED

04/01/2009

*EXAMINER: Initial if citation considered, whether or not citation is in conformance with MPEP 609: Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant. ¹ Applicant's unique citation designation number (optional). ² See Kinds of Codes of USPTO Patent Documents at www.uspto.gov or MPEP 901.04. ³ Enter Office that issued the document, by the two-letter code (WIPO Standard ST.3). ⁴ For Japanese patent documents, the indication of the year of the reign of the Emperor must precede the serial number of the patent document. ⁵ Kind of document by the appropriate symbols as indicated on the document under WIPO Standard ST.16 if possible. ⁶ Applicant is to place a check mark here if English Language Translation is attached.

Applicants: David J. Pinsky et al.

Serial No.: 10/679,135

Filed: October 3, 2003
